INDEX TO GLEANINGS IN BEE CULTURE

VOLUME LV, 1927

In using this index the reader should not fail to note that it is divided into five departments, namely, General, Editorials, A. I. Root's writings, Contributors, and Illustrations. The index of General includes everything except Editorials, Illustrations, and A. I. Root's writings.

GENERAL

A

Acarapis woodi in Switzerland and Germany.....374
Acarapis Woodi Discovered in Russia 28
Acarine Disease, Keep Out.782
Advertise Honey, Candy People Help 99
Advertising Honey at Chautauqua 771
